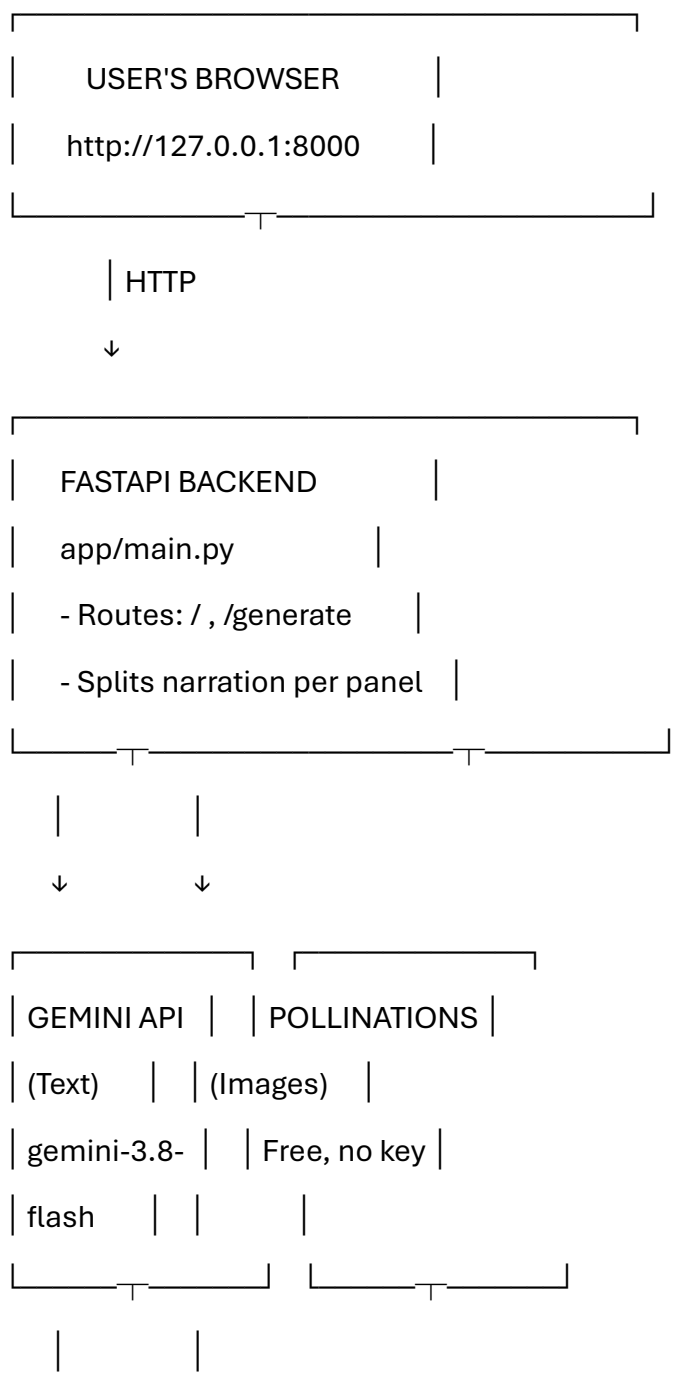
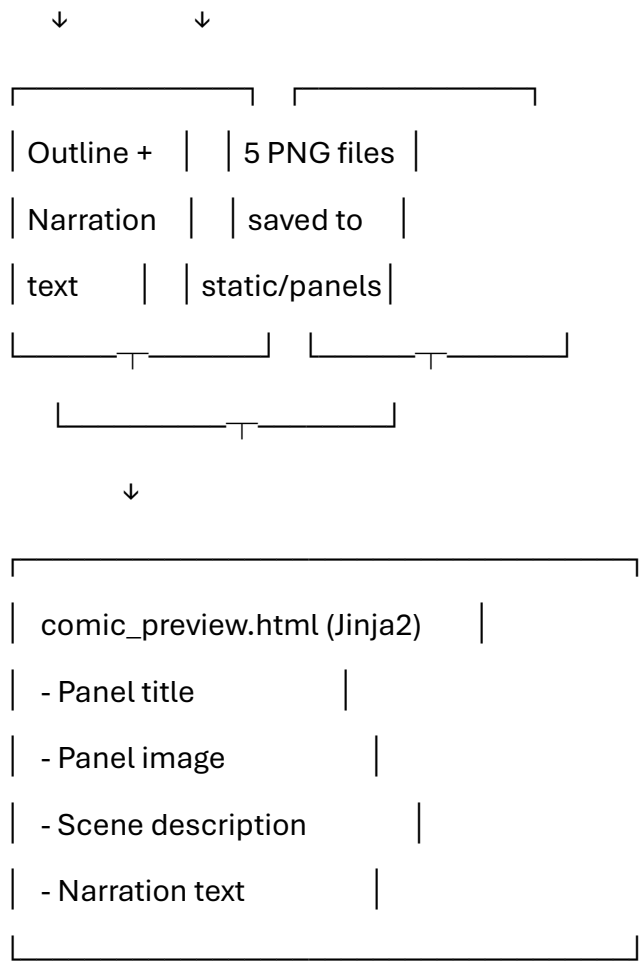
COMICCRAFT — SOLUTION ARCHITECTURE

==========

COMPONENT DIAGRAM





SECURITY

- GOOGLE_API_KEY stored in .env (never in code)
- .env ignored by .gitignore
- No user data stored on any server
- No authentication needed (stateless privacy-focused design)

MODULARITY

- gemini_outline.py : outlines only
- gemini_story.py : narration only
- image_generator.py : image creation only

- main.py : routing and orchestration only
